

PVC Banners

LEAD TIME	5-7 working days
-----------	------------------

PVC BANNERS ARE PERFECT FOR OUTDOOR USE, SO IF YOU WANT TO ADVERTISE AN EVENT. COST EFFECTIVE AND WITH A MULTITUDE OF USES, PVC BANNERS ARE A CLASSIC ADVERTISING MEDIA. WE PRINT FULL COLOUR, SO ANY DESIGN IS POSSIBLE. YOU HAVE THREE MATERIAL OPTIONS TO CHOOSE FROM 330GSM MESH PV, 440GSM PREMIUM PVC, OR 650GSM DOUBLE SIDED BLOCK OUT PVC FOR YOUR CUSTOM BANNER. BE ASSURED THAT ALL THESE CHOICES WILL PROVIDE YOU WITH A BANNER THAT IS BOTH STRONG AND DURABLE. AS THE MATERIAL IS WATERPROOF AND FADE RESISTANT THE BANNER WILL LAST LONG AND PROVE TO BE COST-EFFECTIVE. IF YOU ARE LOOKING FOR A BANNER THAT IS WINDPROOF THEN YOU SHOULD OPT FOR THE MESH PVC. THIS IS BECAUSE THE TINY HOLES IN THE MATERIAL ALLOW FOR AIR TO PASS THROUGH WHICH REDUCES THE WIND RESISTANCE AND INCREASES THE OVERALL VISIBILITY OF THE BANNER. THIS IS A GREAT COST-EFFECTIVE PRODUCT THAT IS SUITABLE FOR BOTH SHORT AND LONG-TERM USE FOR ANY EVENT. WE OFFER VARIOUS FINISHING OPTIONS FOR THESE BANNERS SUCH AS EYELETS, POLE POCKETS AND HEMMED EDGES. YOU HAVE VARIOUS SIZES TO CHOOSE FROM AND WE ALSO CATER FOR CUSTOM SIZES. THE MAXIMUM SIZE WE CAN PRINT ONTO ONE PIECE IS 45M (L) X 3M (W).
