

Custom Printed Gazebo

CUSTOM PRINTED GAZEBOS PROVIDE A GREAT FOCAL POINT, ACT AS A HOSTING VENUE, OR PROVIDE SHELTER FROM SUNNY (OR RAINY) WEATHER. GAZEBOS ARE MADE UP OF A STURDY 40MM HEXAGONAL ALUMINIUM FRAME AND FULL COLOUR PRINTED GRAPHICS. THEY CAN COMPRISE OF A CANOPY, VALANCE AND WALLS, ALL OF WHICH ARE PRINTED TO THE OUTSIDE FACING AREAS. IF REQUIRED, THE WALLS CAN BE PRINTED ON THE INSIDE AREA TOO. THE CONSTRUCTION OF THE GAZEBO IS SIMPLE – THE FRAME SIMPLY PULLS APART AND LOCKS INTO PLACE. IT'S EASIER TO TACKLE THE CANOPY AND VALANCE AT THIS STAGE WHILE THE FRAME IS STILL AT A LOW-LEVEL, SO PUT THE ROOF ON NOW. WHEN YOU'RE HAPPY WITH THIS, YOU CAN RAISE THE LEGS AND LOCK THEM INTO PLACE. IF YOU HAVE PURCHASED WALLS, YOU CAN ATTACH THEM AT THIS STAGE. WE ALSO SUPPLY GROUND PEGS AND GUIDE ROPES TO HELP YOU ANCHOR THE GAZEBO, OR YOU CAN PURCHASE 8.5KG LEG WEIGHTS TO HELP SECURE IT TO THE GROUND. AVAILABLE IN VARIOUS SIZES TO SUIT YOUR NEEDS. SUPPLIED WITH WHEELED CARRY BAG. 1-YEAR WARRANTY ON THE HARDWARE.
